

Terms of Reference

The following aims and objectives of the forum have been determined;

- The group will meet quarterly over the lunch time period
- The chairing and administration of the group will be managed jointly by LBH and CVS
- The group will promote Compact principles within their respective work places and highlight any non compliances which may arise
- The group will monitor the implementation of the Compact, by providing regular verbal updates at Champion meetings outlining any Compact-specific activities carried out in the interim period between meetings
- The group will contribute to the review of the existing document by indicating and investigating key relationship issues which could be remedied in the reviewed document
